

To All Teams Participating in the 2008 Beach Soccer Tournament

Please note that the Chicago lakefront is extremely busy during the weekend the Beach Tournament is held and we would like to make sure you and your teams are able to arrive in plenty of time for your games as scheduled.

It is important to let your teammates know that we are advising everyone to access to the lakefront (Montrose Harbor - where the games will be held, marked below by a soccer ball icon) via the **Foster Ave.** or **Lawrence Ave.** exits off Lake Shore Drive. The best lot to try and park in is marked below as P1 the other lot (P2) will fill up first but may be available for the teams playing early in the morning both days. There is also plenty of street parking as you drive south toward Montrose.

Public Transportation is best - for a CTA trip planner visit:
